Robbinsville, NJ 08691

Dear Dave:

Please find enclosed Chain of Custody Forms listing 438 samples which were collected and analyzed during the Iron Horse Park asbestos landfill project, Billerica, Massachusetts.

Under the direction of Tom Rogers of Roy F. Weston Co. the physical samples have been locked in the on-site laboratory awaiting disposal.

Forms transferred include the following:

<u>Form Number</u>	<u>Sample Day Number</u>	<u>Number of Samples</u>
4572	33	6
4571	32	6
4570	32	21
4568	31	20
4569	30	20
10867	29	22
10866	28	22
10864	27	20
10863	26	19
10862	25	20
10859	24	20
10857	23	22
10847	22	20
10849	21	20
10846	20	18
10845	19	20
10844	18	19
10843	17	20
4567	16	17
10875	15	5
10831	14	7
10834	13	10
10832	12	11
10827	11	8
10835	10	6
3644	09	7
3640	08	8
8444	07	11
8443	06	6
8441	05	7

As Hunter Associates has no further use for these forms, we will transmit them to O.H. Materials who will assume responsibility for them. Your signature at the bottom of this letter will act as a receipt for this information.

Thank you for your cooperation in this matter.

Sincerely,

W. Bruce Hunter, Ph.D.
President
